

# Lottery Calendar Fundraiser

We will be selling November lottery calendars. The cost is \$10 each and the number is good the entire month of November. The number is based on the PA Evening Pick 3 Daily Number. If more than 1 number is drawn at 7PM, the first number down is the winner. You can win more than once during the month with each number. Winners will receive VISA gift cards in the amount on the date your number was drawn. The WMPA will monitor the daily drawings and mail out the gift cards. PLEASE write neatly so we know where to mail the cards.

We will be having a selling contest with this fundraiser. For every 10 calendars you sell, your name will be placed in drawing for a VISA gift card. We have 1000 calendars and there is no limit of how many you sell. If the band sells under 500 calendars, the prize will be a \$25 gift card. If the band sells more than 750 calendars, the prize will be a \$50 gift card. Take one envelope of 10 calendars. As soon as you sell them, turn in the money and stubs and get another envelope of 10 calendars. The more you sell the better your chances of winning the contest.

This fundraiser has the potential to be our biggest money maker if everyone does their part and sells at least 10 calendars.
